The changing face of Nevada is evident in many ways. It is mirrored in the changing faces of its students — from the confused faces of its freshmen, to the wise, if somewhat weary faces of its seniors. It is reflected in Nevada's administration as incoming executives bring new ideas to the campus. There are physical changes to the campus also. The face of Nevada changes and yet it stays the same. The traditions are the same, the campus is beautiful all year 'round, and the students still sing with pride, "Hail To Our Sturdy Men."

DEDICATION

The staff of the 1962 ARTEMISIA would like to dedicate this year's book to Trini Erquiaga. "Trini," as she is known to the University students, has at one time or another been a great aid to each individual student on campus. We are particularly grateful for the tremendous amount of work she has done for the 1962 ARTEMISIA as well as for other yearbooks in the past.

As a token of our appreciation for your service to the students of the University of Nevada, the 1962 ARTEMISIA is dedicated to you, Trini Erquiaga.

LIBRARY

STUDENT UNION

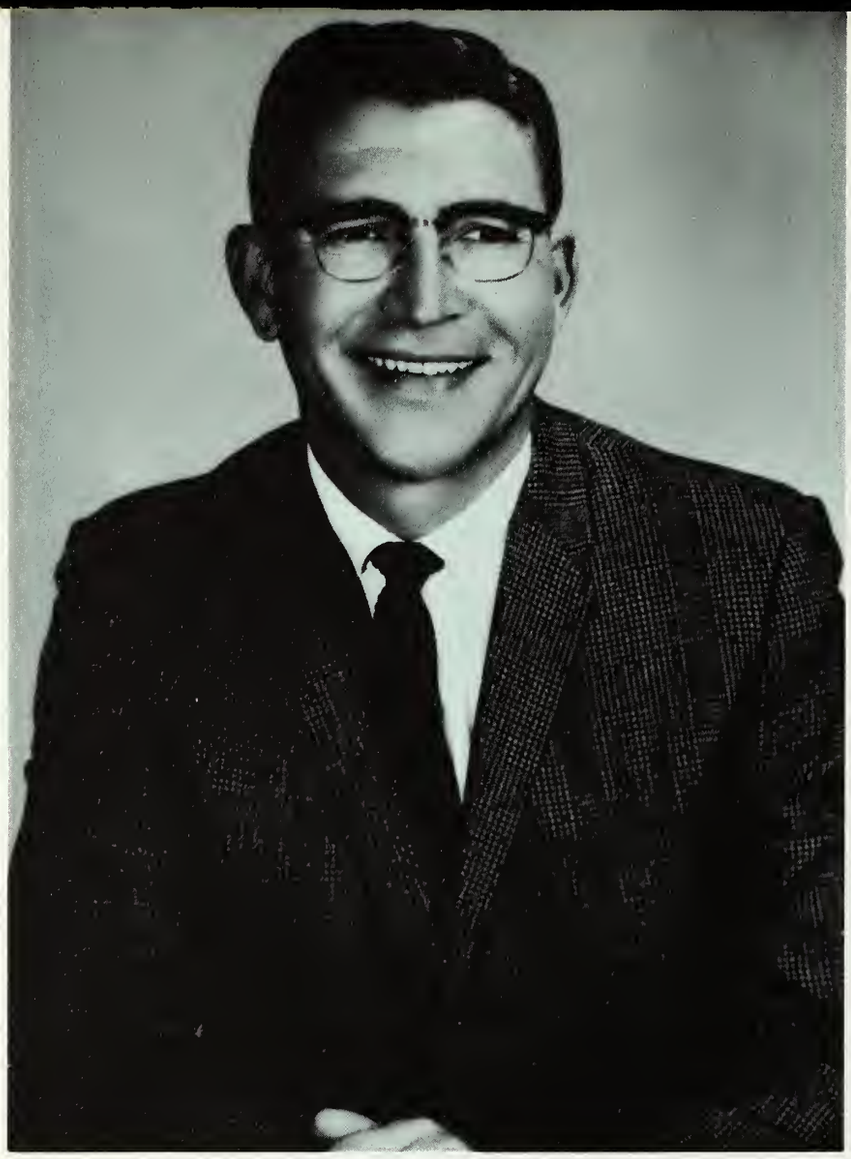

We Study The old library is the scene of many studious people. The knowledge that can be gained there is not always the primary attraction as this building is the scene of eager students looking for dates. However, this favorite building has fulfilled its purpose, and has aided many a student through his college career.

We Relax

The Jot Travis Student Union Building is the constant scene of students grabbing a quick cup of coffee before class, or students spending a leisurely hour sipping coffee and playing bridge. Provided upstairs in the Student Union is a lounge where many students study or discuss the current problems and events. The Student Union constantly sponsors guest speakers; two this year were Eugene Burdick and Governor Rockefeller. Also the Student Union sponsors special dances before Thanksgiving and Christmas as well as dances after athletic events.

Governor Grant Sawyer

GOVERNOR

I voice the pride of all Nevadans in the splendid growth and progress of the University of Nevada. Having been a former student and former regent, I have for years taken a keen interest in our University.

Our hopeful expectations of what would be accomplished under the leadership of Dr. Charles J. Armstrong have been more than fulfilled. Not only has the University gained in stature throughout the academic and scientific world during the past several years, but its worth has been recognized by the federal government as worthy of grants for specific purposes of national value.

The physical plants in Reno and Las Vegas have been expanded and modernized. The many new buildings are a tribute to any campus.

While great credit properly belongs to President Armstrong and the faculty, we should not overlook the wonderful contribution made by the regents. Their splendid interest and efforts, untiring and unselfish work, and fine support of the President's program have resulted in this greater and better institution of learning.

The University of Nevada has significantly increased its value to the whole state while providing on its two campuses an outstanding academic atmosphere. It has truly given a great impetus to the scientific, cultural, and intellectual life of the state through its expanded programs.

To the University students are being given the torch of freedom, a realization of the paramount value of democracy, freedom and an informed citizenry, and the opportunity to meet the challenge of today's world.

I have implicit faith that you students will face the future well prepared for whatever may lie ahead of us in this challenging world.

To the members of this year's graduating class, my hearty congratulations on what you have accomplished, and my best wishes to all students for continued endeavor and success.

Grant Sawyer, Governor

PRESIDENT

President Armstrong

As another year in the life of the University draws to a close, it is worthwhile to pause for a moment to look back to what has been achieved.

For many students, this year has seen the fruition fo their efforts to complete an education which will fit them for their chosen careers. To them, the members of the graduating classes, we extend our congratulations and best wishes for the future, and hope that this has been their most meaningful year to date.

For the rest of us in the University, students, faculty and administration, this, too, has been a year in which many things have been accomplished.

We have seen a new spirit of seriousness of purpose grow within the University community, a new accent upon excellence as Honors and Ph.D programs have developed, along with the new emphasis upon advanced research in all fields.

Student government and student organizations have worked constructively in a growing spirit of responsibility, and the physical growth of the campus has continued.

The solid material progress of this year, and, above all, the developing spirit of purpose and direction within our community, give us a sound basis of assurance that the University will measure up to the challenge of the sixties and that we can look to the years ahead with confidence.

Seventy-fifth Anniversary Edition

Paul Bible, ASUN President

The strength of any institution rests on the faith of its members. The future of the University of Nevada will depend on our firm faith in her; so we must continue to work together for a better, larger, and more progressive University.

— Paul Bible

Beverly Roberson, AWS President

AWS PRESIDENT

The Nevada student in 1962, as the college student everywhere, is seeking something — a firm place to stand, direction, action in society, and order in his own life while the tides of the 20th Century swirl about him. On one side of him are courage and conviction; on another side, apposing these, are rip tides and undertows which confuse his goals and submerge his identity. Which will be the victor is determined by the student himself.

As students in 1962, we pose to you this question: "How long can you drift . . . and not give up the ghost of hope?"

This year, by proclamation of Governor Grant Sawyer, UNCOC was given full recognition for its part in the development of career officers by following the requirements of leadership, honesty and integrity, self-discipline, and sacrifice which add greater stature to the term of gentlemen.

Under the outstanding leadership of Cadet Lt. Col. Robert M. Hawkins, president, and Capt. John A. Todd, Jr., advisor, UNCOC sponsored the Military Ball which was one of the highlights of the fall social season. During the spring semester the organization assists the junior advanced students in preparing for summer camp, publishes an ROTC newspaper, BATTLEBORN, and has its final social event, a dinner dance.

Symphonic Band

UNIVERSITY BAND

The 1961-1962 University of Nevada Band was the largest in the history of the university, numbering 70 for the busy marching season. Wolfpack band members made a historic trek to Los Angeles in November to appear before 63,000 fans at the Los Angeles Coliseum for a Rams-49ers pro football game. The band was seen by an estimated television audience of five million. A concert at Disneyland was also included on the band's agenda while in Southern California. Spectacular new uniforms were unveiled before an approving Homecoming crowd at Mackay Stadium. Following marching season the band was converted into the Symphonic Band which made the first extensive concert in years, playing high schools in northern and eastern Nevada. Heading the band staff is Dr. John Carrico who came to Nevada in 1959 after directing Texas state college bands since World War II. As for future plans, the band has been invited to appear in San Francisco at KeZar Stadium for a 1962 49er game.

Coach Bill Ireland and his 1962 University of Nevada baseball team face the toughest and longest baseball schedule in the history of the University. The stiff 39 game schedule includes such national baseball powers as the University of Southern California, last year's national collegiate champions, Oregon State College, University of Utah, Fresno State, Santa Clara, San Jose State and St. Mary's. In addition, the Far Western Conference, of which Nevada is a member, is rapidly becoming a baseball power on the Pacific coast and is expected to measure up to the tough California Inter-collegeiate baseball conference in the near future.

BASEBALL

In his first year at the helm, Coach Ireland led the Wolf Pack to a highly successful season. The Nevadans won ten and lost six games. The highlight of last season was an outstanding upset victory over Notre Dame in the first athletic meeting between the two schools.

Orientation, Trek-Nek and Ice Breaker
Dance, Registration, Pajama Rally and Dance,
and Leadership Conference.

President Armstrong welcomes the new students.

Dean Mobley explains the rush system.

Governor Sawyer tells of his college experiences.

ORIENTATION

Orientation was held the week prior to the beginning of classes for all new students. Along with English and math placement tests there were several programs held for the incoming students. Governor of the state of Nevada, Grant Sawyer, gave a welcoming address along with some of the university student body officers.

Tests, tests, and more tests!

They sang all afternoon.

TREK-NEK AND

Songs by firelight made a romantic setting.

"Listen to this."

What a con job!

A potential Kingston Trio?

Anyone want to ask any questions?

ICE BREAKER DANCE

This year something new was added to the orientation program for the incoming students. All new students went to Lake Tahoe in busses where an all-day picnic and song fest was held, followed that night by the Ice Breaker dance.

The dance was swingin!

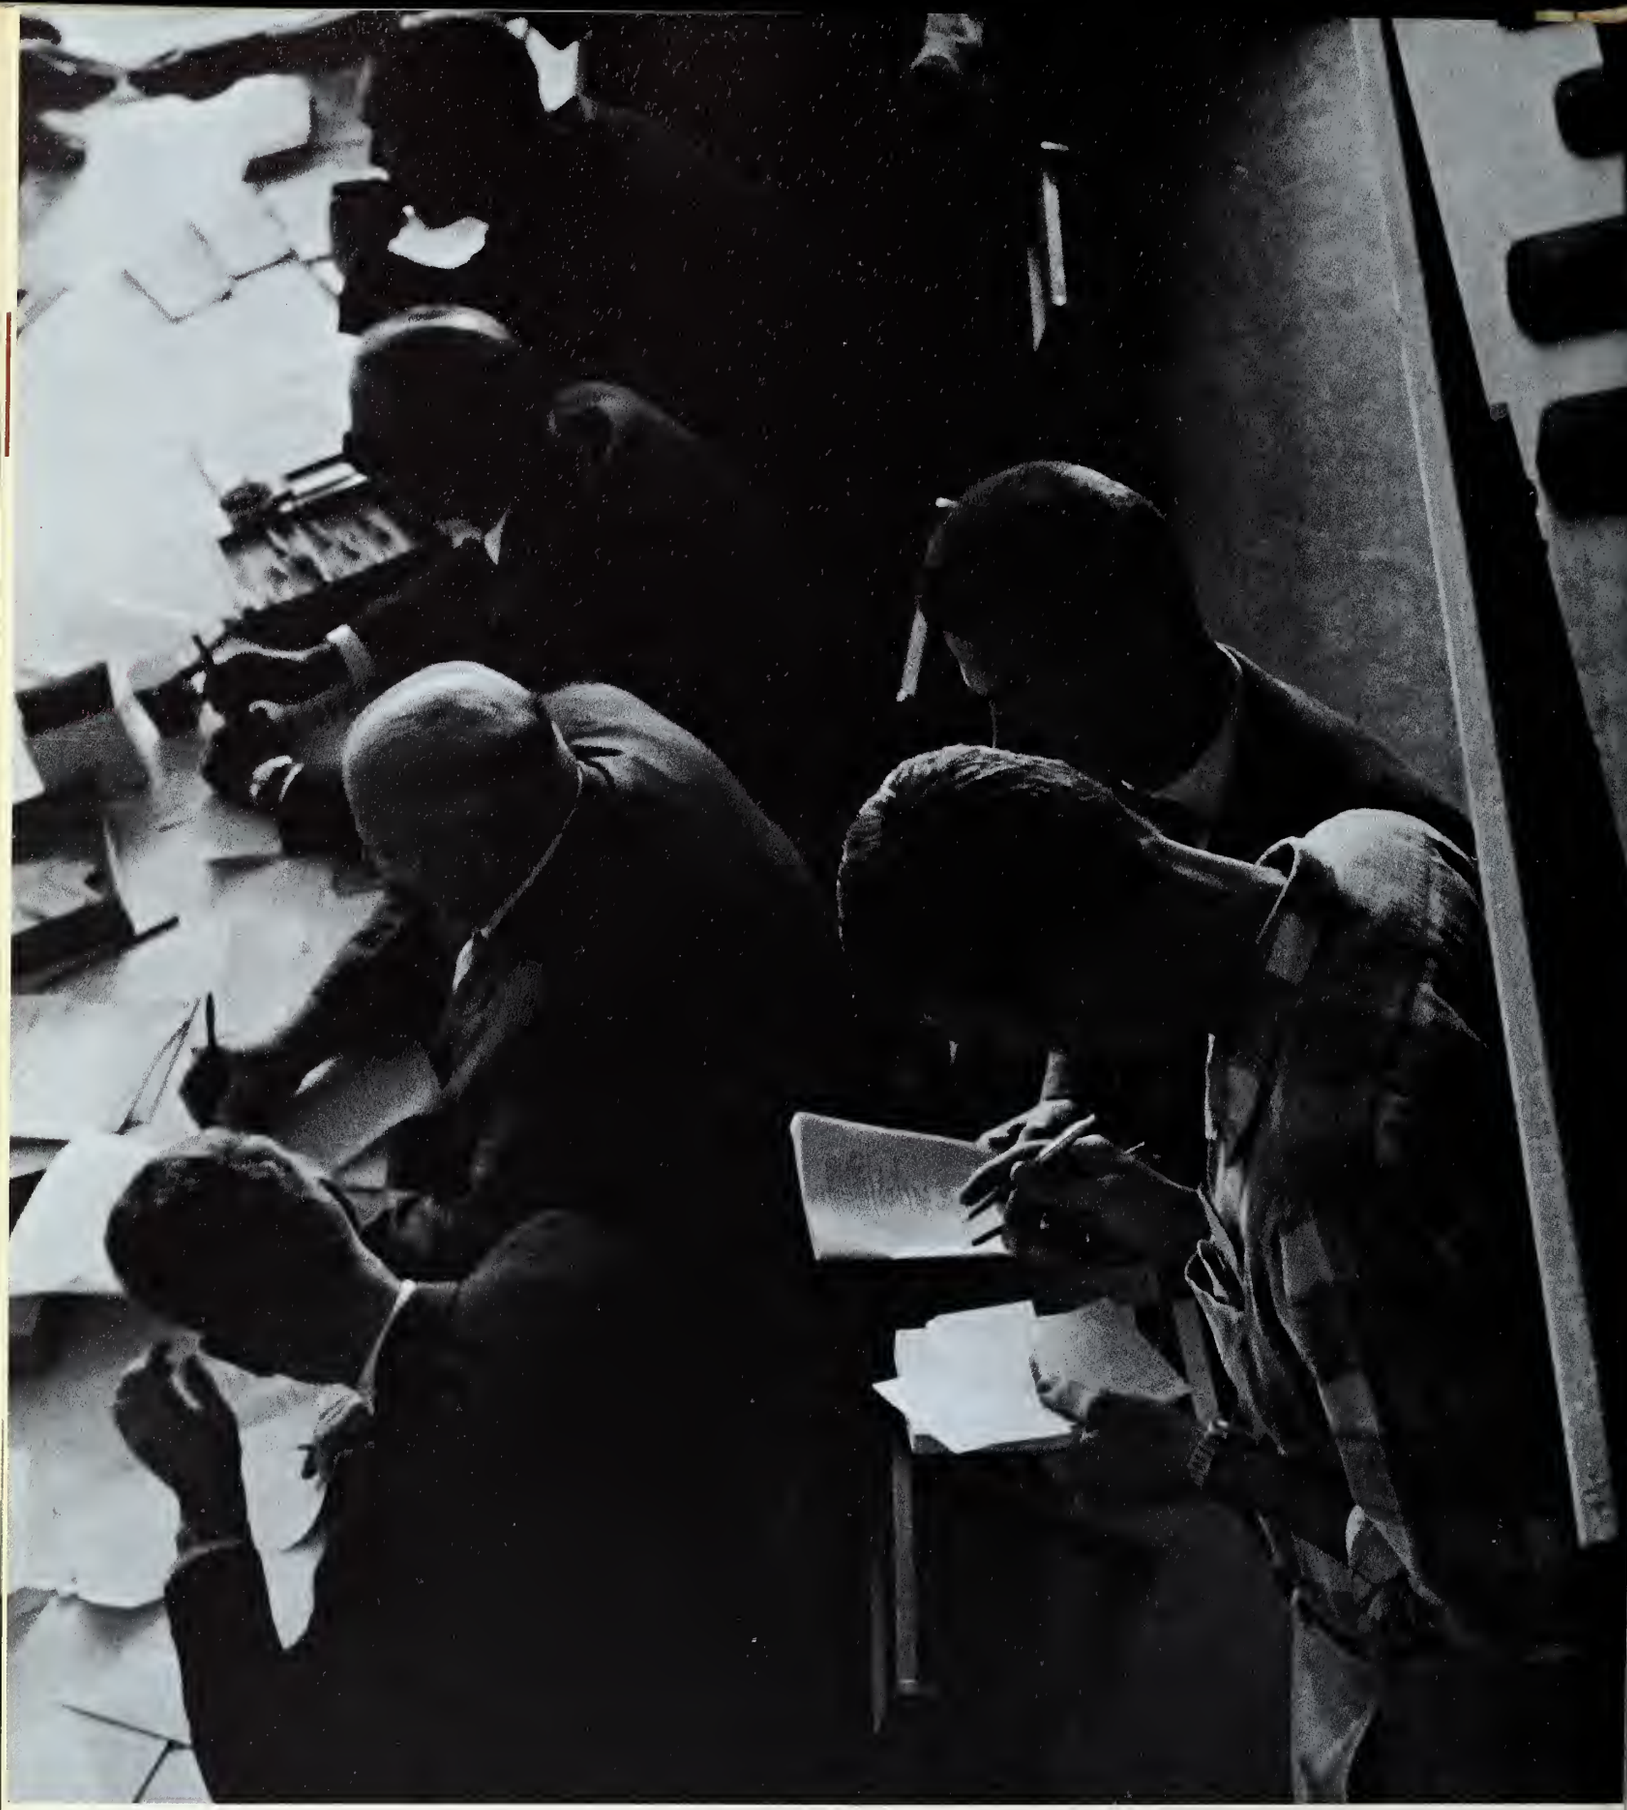

Go, Andy!

These are freshmen???

REGISTRATION

Lines, I.B.M. cards and confusion !

Please let me in your class.

Oh, darn; another conflict!

The rustle of leaves and the sudden chill of autumn in the air brought 2700 old and new students back to the Hill.
Awaiting everyone was the wonderful two days of registration. The usual slow and exasperating process was speeded up and much improved this year due to the use of new I.B.M. machines.
Most of the former confusion was avoided and almost everyone got the classes he wanted.

Forms to fill out. . . .

LEADERSHIP

Along with September come many new duties for the leaders of our campus. Once again this year they all traveled to Lake Tahoe for the Leadership Conference.

There was group discussion on such topics as school spirit and other problems of the University. The themes for Homecoming, Winter Carnival and Mackay Day were chosen.

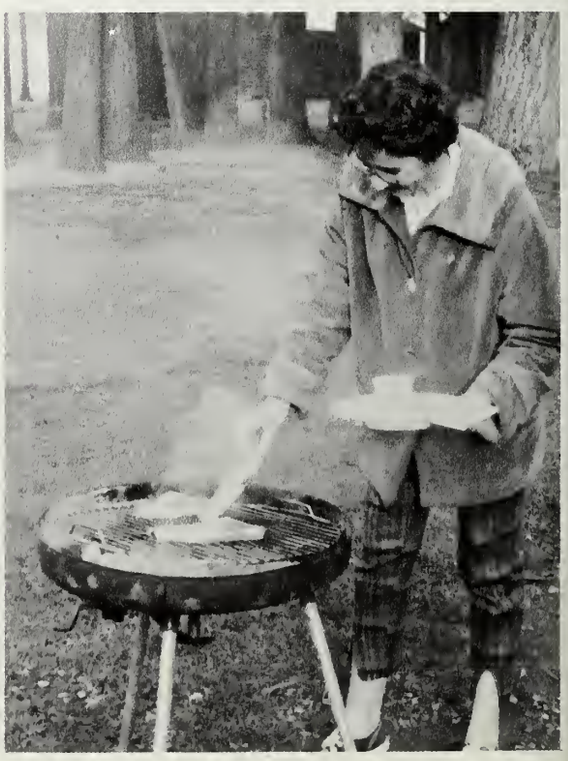

Someone is going to have a share!

A deep subject.

Bev likes her steak rare.

The huge bon fire rally in Mackay Stadium.

The annual Pajama Rally and dance was held again this year.
Many students turned out for the gala affair.
After a huge bon-fire held in the center of Mackay Stadium, a snake dance wound down Virginia Street, in and out of various hotels and clubs causing excitement for all.
With only a few casualties the pajama-clad students made their way back up to the Hill where a dance was held in the dining commons.

Are they cheering for Nevada or beer?

RALLY

Some got very acrobatic!

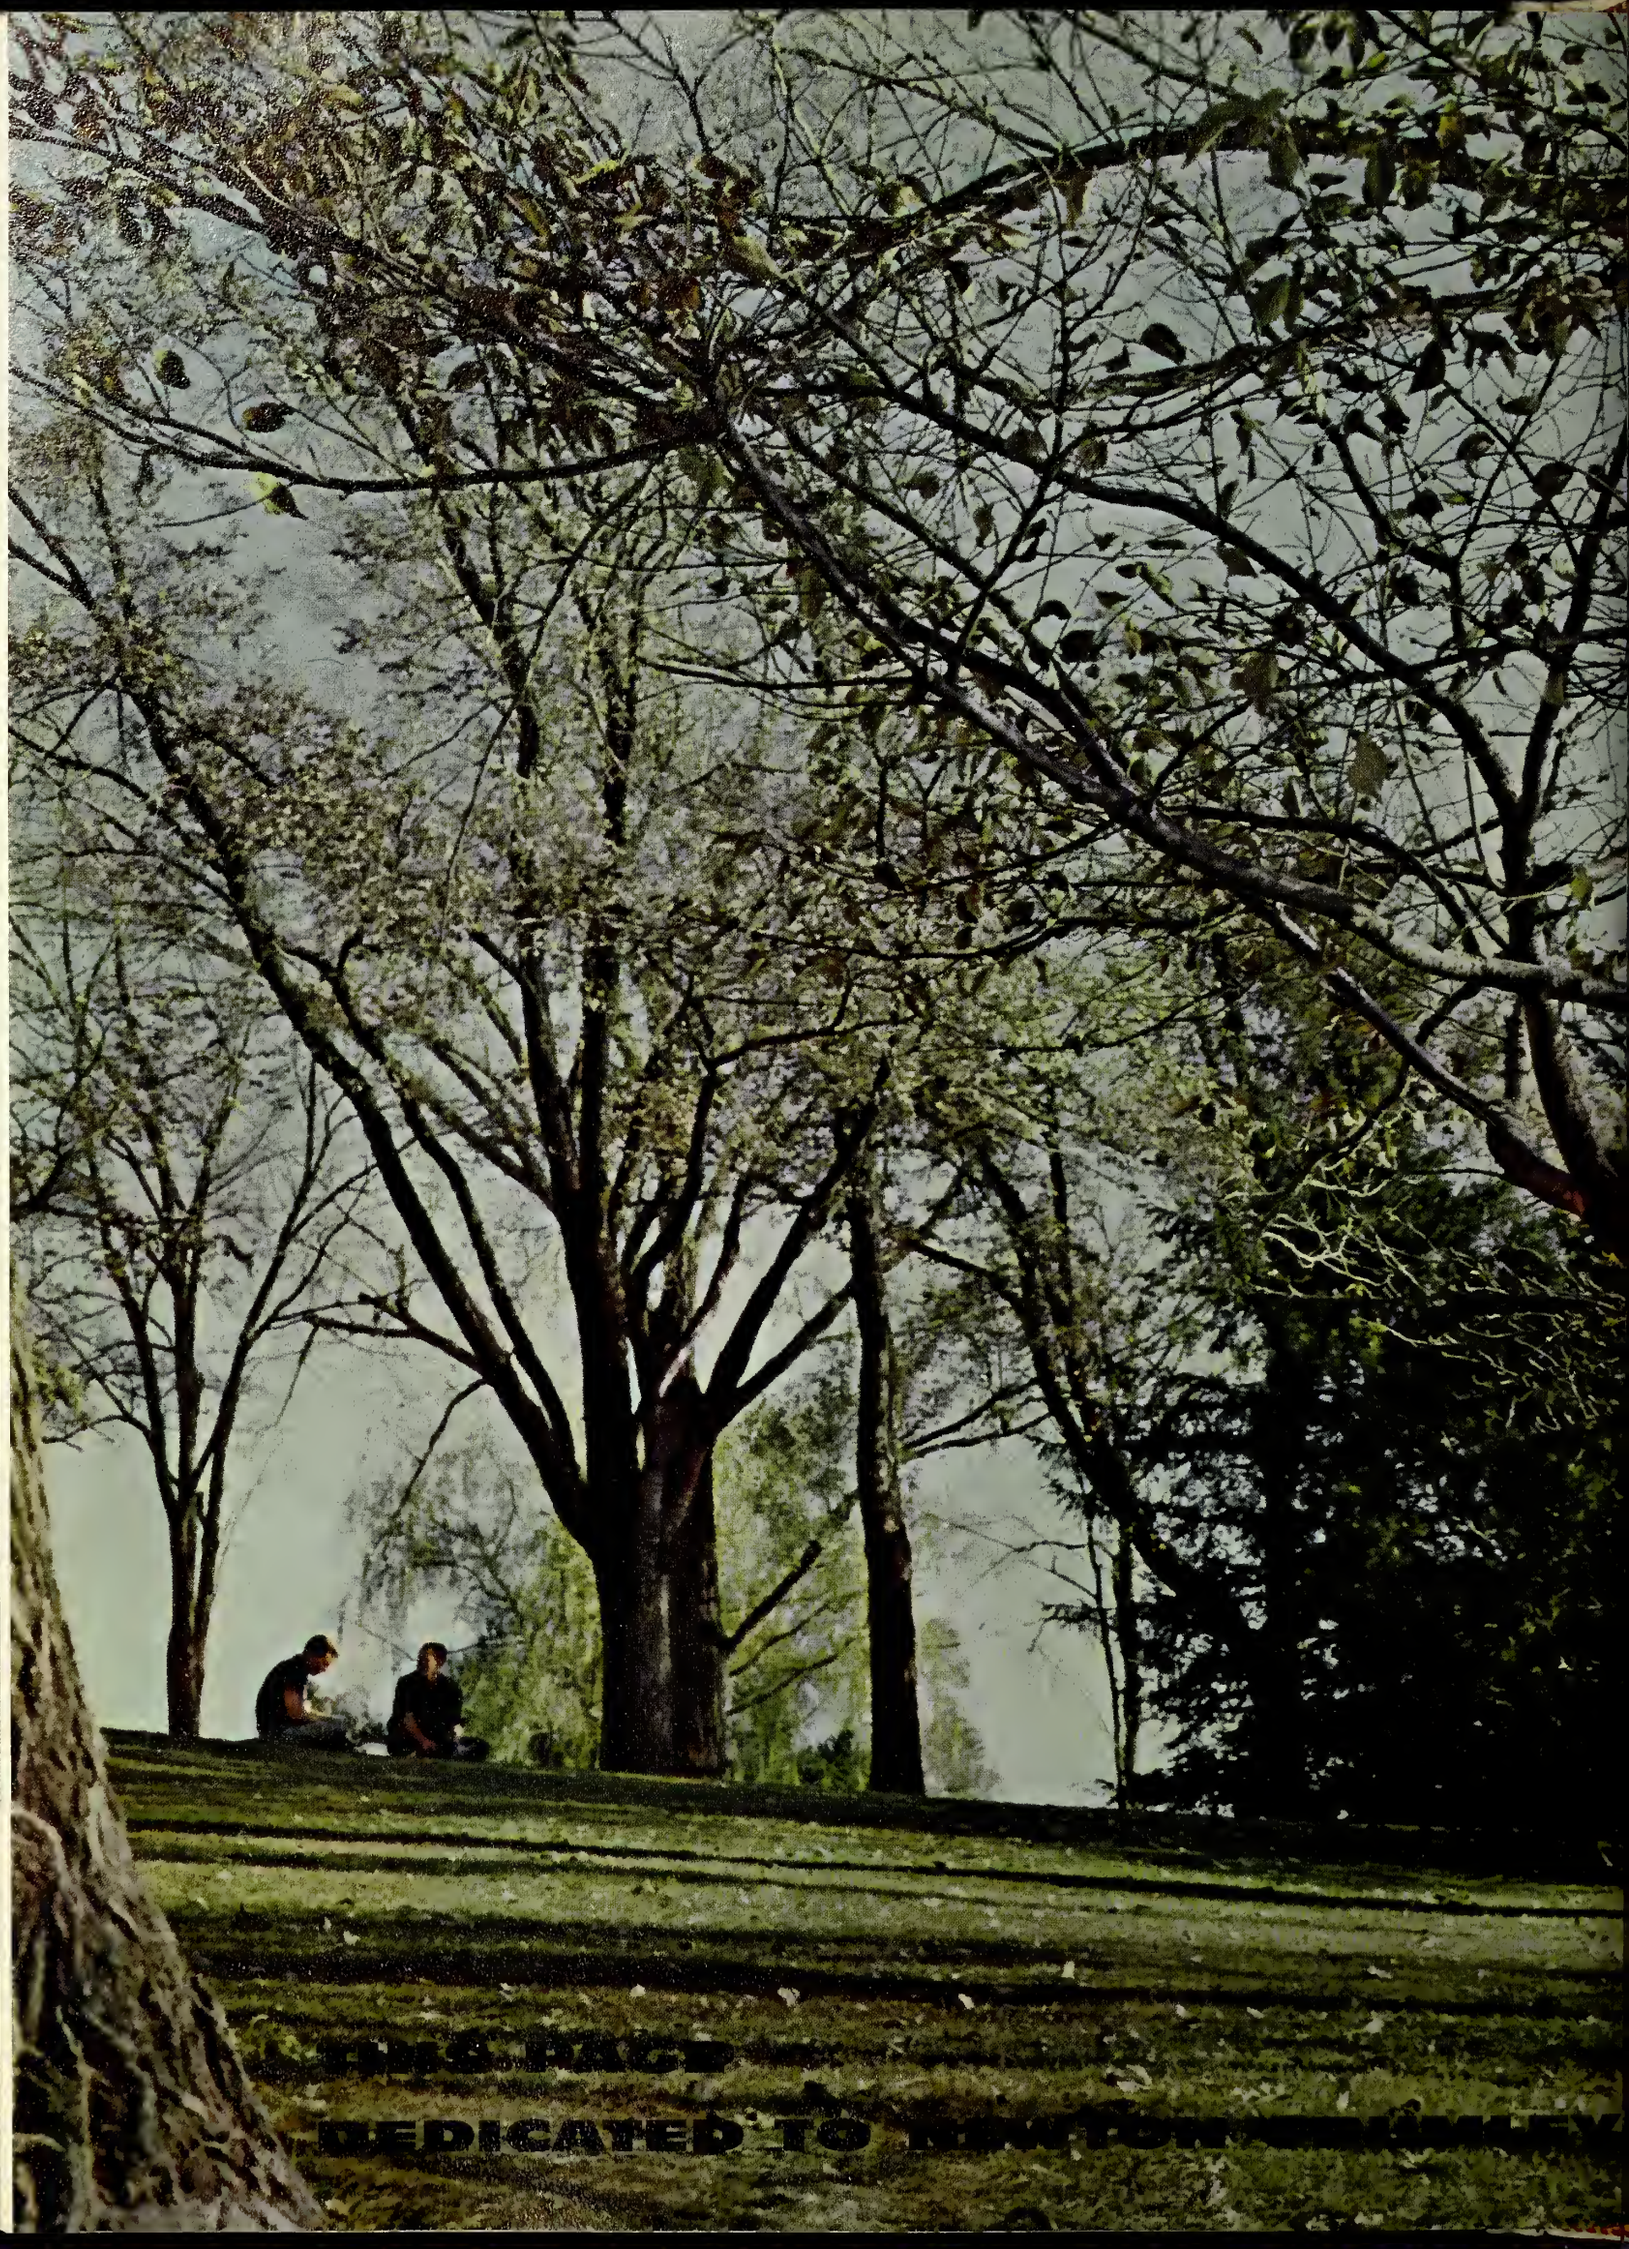

The tourists wondered what was happening.

The big event for October was Homecoming.

THIS PAGE
DEDICATED TO

The annual Activities Parade was held again this year in the Jot Travis Student Union. Students were given the opportunity to sign up for any activities or clubs that they wished to.
The parade also gives freshmen and transfer students a chance to see the many different activities there are for them at the university.

If she does, I will.

Oh, no, Glen — not in the Ski Club!

Open wide and say "ah."

And then I told him to . . .

You did it! I know you did!

SORORITY

To kick off the social whirl for the 1961-62 school year, the sororities and fraternities proudly presented their new pledges at dances given in their honor. Kappa Alpha Theta honored their pledges at a semi-formal dance held in the Skyroom in the Mapes Hotel while Gamma Phi Beta held theirs in the Fable Room of the Mapes.

Hold it!

Bach, bach, bach!!

Spinach!

What a way to spend the evening!

DANCES

The following weekend Delta Delta Delta sorority and Pi Beta Phi sorority pledge dances were given in the Mapes' Skyroom and Fable Room.
The new pledges were presented with flowers by each active chapter.

Now, let's see, one . . . two . . . three . . . four . . .

Wonder what's in it?

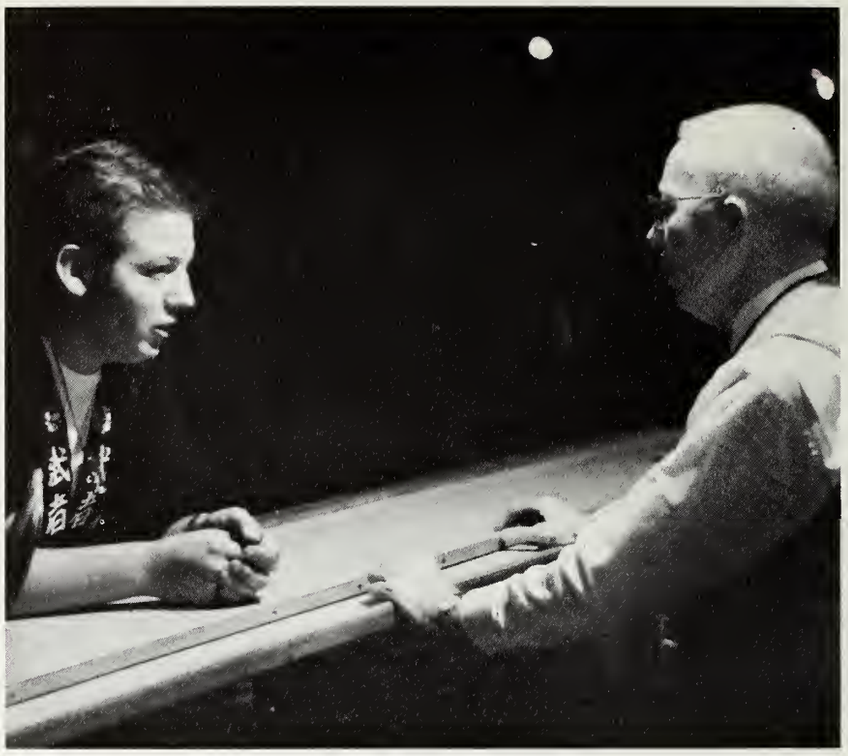

It must be somewhere!

Two, please!

C'mon . . . I'm twenty-one!

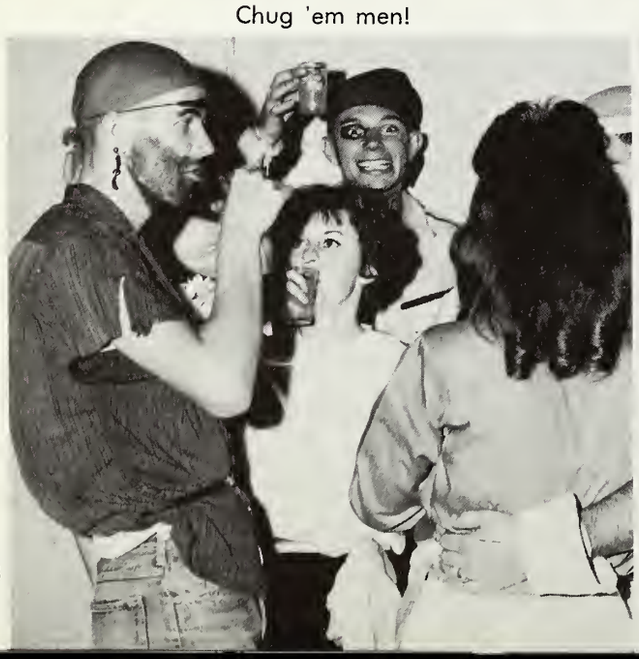

Fascination

FRATERNITY

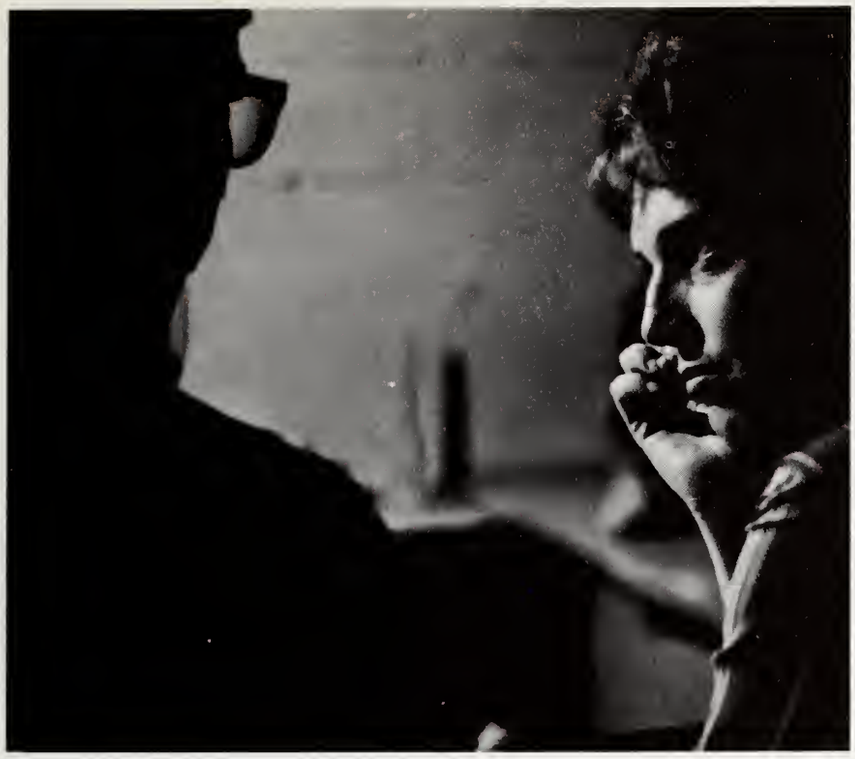

Some of the fraternities had costume dances in honor of their pledges. Alpha Tau Omegas and their dates dressed "Roaring Twenties" style and attended the annual "Bowery" held at the Lancer. Phi Sigma Kappa's "Hobo Dance" was held at Lawton's. Pirate costumes were worn by Theta Chi's and their dates at their dance at the American Legion Hall.

Chug 'em men!

Meet ya outside.

Oh! those eyes!

Come to me lover boy.

DANCES

Sigma Nu held its formal dance at the Mapes Hotel Fable Room which was also the scene of the Lambda Chi Alpha's annual pledge dance. The men of Sigma Alpha Epsilon entertained their dates at Lawton's.

Isn't he cute!

Please !

Look at those legs!!

Which has more lime — the N or the frosh???

Come back here, you!

Into the water with you!

The Soph-Frosh Field Day saw many students white-washing the N and each other. Although many appeared to have more paint on them than on the hill, the N successfully received its yearly clean up.
After the trek to the hill, the students returned in buses to the University for box lunches and games.

Look at 'em shovel it in.

HOMECOMING 1961

Busy schedules and approaching midterms failed to daunt the homecoming spirit. This year's theme, "Nevada Goes International," was successfully carried out under the direction of Lynn Gerow and his committee.

Back for seconds!

Did you really go to Africa?

Pi Beta Phi's skit, "From Wall to Wall" captured first place.

THE WINNERS

Lambda Chi Alpha won the hearts of the judges with their "Vaudeville, USA" entry.

Alpha Tau Omega went back to the cave man era with their presentation of "Time Was . . ."

The faculty was represented by Professor Arthur C. Hastings, who did magic tricks.

"Miss Home-com-ing". . . the pageant was Sigma Nu's Frolic entry.

Something new was added to Homecoming with an International dinner presented by the C.C.U.N., the Student Union Board and the Homecoming Committee. Held in the dining commons, the dinner was well-attended and enjoyed by all.

The New Residence Hall told the tale of "The Moonuppers — to be or not to be."

Wolves Frolic: Le Moullin Rouge, directed by Dr. Menton, was a colorful and lively presentation Thursday and Friday nights in the downtown State Building. Variety was the key with skits ranging from fairy tales to Minsky's Follies.

The "Co-eds" offered songs with an international flavor.

"The Delta Frolics" presented by Delta Delta Delta brought the man "back to the hill."

Kappa Alpha Theta pleased the young at heart with their skit, "The Wizard of U.N."

Jim Durham and Bill Schilling offered their talents as folk singers.

Starting the big day off was the cross country race from Sparks to Reno. Independent Ron Lee, from Fallon, won the race and the Sigma Nu's captured the trophy by having the most pledges finish in the first ten.

"Lovely Vienna . . ." sang Gamma Phi Beta, "Auf Wiedersehen, Austria."

Manzanita Hall presented "The Golden Years."

Bonjour, mesdames et messeiurs.

Sigma Alpha Epsilon portrayed "An International Incident."

"So Solly, Cal Poly" said the giant Buddha of Sigma Nu's winning float.

THE WINNERS

Kappa Alpha Theta's entry, "Got 'Em on the Run," captured first place honors.

"Sail Along Wolfpack" says Alpha Tau Omega.

Phi Sigma Kappa said "Junk Them."

"Dunketh the Mustangs" was the Independents' theme.

Sigma Chi's theme was "Wolves Triumph."

Sigma Phi Epsilon says that "Pharoah's Sphinx is Cal Poly's Jinx."

Pi Beta Phi offered "Around Pomona in Eighty Plays."

Delta Delta Delta's Mexican burro says "Pitch Poly Pronto."

Theta Chi entered their "Gourmet's Delight — The Sweet Taste of Victory."

After weeks of building, twisting, and stuffing, the living groups floats wound their way up Virginia Street in a parade of sixty-eight entries led by the R.O.T.C. Color Guard and accompanied by a collection of the top high school bands from throughout the state. Cold weather failed to keep students and alums away from the game, and everyone cheered as our Wolf Pack upset Cal Poly from Pomona, twenty-eight to twenty.
Evening brought the dance and long-awaited announcements of the judges on frolic, floats and dance attendance winners.
And thus, another very successful Homecoming was ended.

Lambda Chi Alpha wanted to "Carry Out Cal Poly."

Gamma Phi Beta says to "Head 'Em Off!"

Sigma Alpha Epsilon tells us to "Pepper 'Em, Nevada!"

First the Little Wal — then Mackay Stadium

And then motion to the endzone.

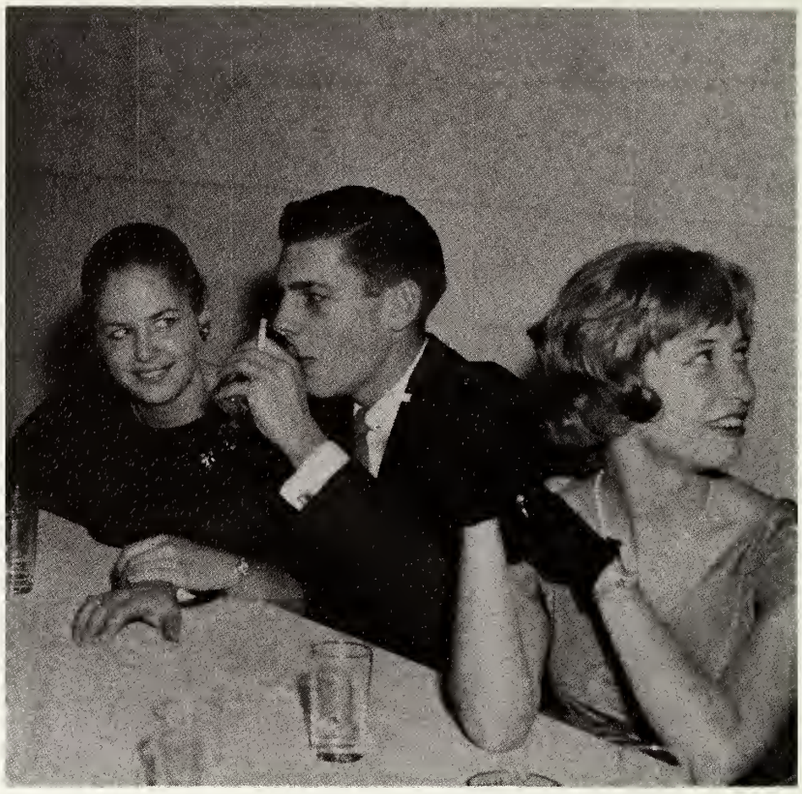

But I'm allergic to roses.

It's about that freeway!

Here, let me try it.

Oh, come on now!

Wait a minute there.

Oh, really?

Turkey Trot, Thanksgiving Vacation, Fraternity
Bean Feed, Military Ball, "The Apple Cart"

And the band played on.

The Student Union Board auctioned off a turkey this year in conjunction with the annual Turkey Trot.
The University Stage Band played in the Snack Bar of the Student Union before the auction.

Going once . . . going twice . . . gone!

Use Aero-Shave?

Thought you were sneaking up on me, huh?

Can't quite reach it.

The I.F.C. annual Beanfeed was held with Alpha Tau Omega walking off with seven out of ten awards. Five were won for Individual sports, one for Best Fraternity in Sports, and one for Scholastic Improvement. Calvin Wilson of Sigma Alpha Epsilon won the Best Sportsmanship trophy. The S.A.E.'s also won the bowling trophy. Lambda Chi Alpha won the trophies for baseball and badminton.

Now let me tell you one . . .

And so I said to him . . .

Been skiing lately?

The R.O.T.C. department presented their annual Military Ball, which turned out to be one of the biggest social events on the University of Nevada calendar. The evening was climaxed by the crowning of Pam Kitt of Manzanita Hall by Governer Grant Sawyer. The new queen was presented with a bouquet of roses and the official ROTC sabre.

You sweet thing.

Oooh! That's sour!

My mother never told me.

That to you!

Where's the bar?

Queen Pam was attended by Ellen Roseman, Patsy Rogers, Jean Tachoires, Jaculine Chiatovich, and Robin Killinger, who were each given small sabres. One of the high points of the evening was the dropping of balloons, some containing prize certificates. Dance attendance trophies were awarded to Pi Beta Phi and Sigma Nu.

Ready, aim, fire!

You **must** be wrong!

I'll never tell !

The first production of the Speech and Drama Department was a political extravaganza, "The Apple Cart" by George Bernard Shaw. It was presented by the University Theater and directed by Mr. R. Terry Ellmore. The cast included Molly Tyree, Mary McCord, Sara Pederson, Julie Johnson, Barbara Champlain, Ronald Gold, Ray Embry, Gene Evans, and Delmar Dolbier.

Come on, come on!

Oh, I never said that.

Christmas Formals, A.W.S. Christmas Party, Vacation

With December came the sorority and fraternity Christmas Formals. They were held the two weekends before vacation started and, as usual, provided a rousing send-off for everyone. The Delta Delta Delta dance, held at the Riverside, had a unique feature — a "soda-pop bar." The Mapes proved again to be the favorite, hosting White Pine Hall, Lincoln Hall, Manzanita Hall, and Sigma Nu in the Sky-room and Lambda Chi Alpha in the Fable Room.

It must be in there someplace.

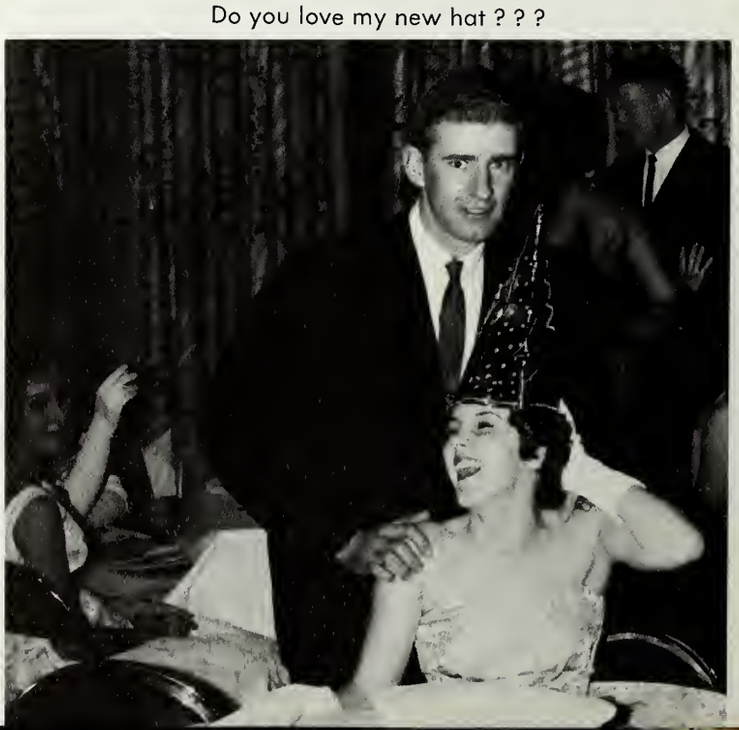

One, two, three, stomp!

Please let me sit by him.

Do you love my new hat ? ? ?

Then she said to him . . .

Oh, no!

Look here, bud !

What a party!

Alpha Tau Omega and Phi Sigma Kappa held their dances at the Halfway House. Lawton's was the scene of the Gamma Phi Beta and Sigma Phi Epsilon functions. Kappa Alpha Theta and Theta Chi held their dances at Hidden Valley and the El Cortez, respectively. Santa Claus appeared at most of the dances, handing out favors and miscellaneous gifts.

Sure I love you, Santa!

Do you want one too?

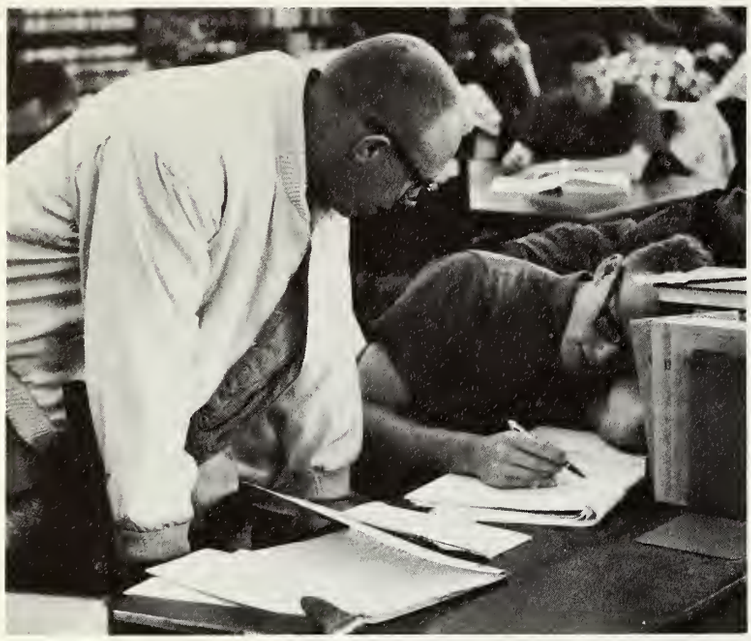

Honest, I have been good.

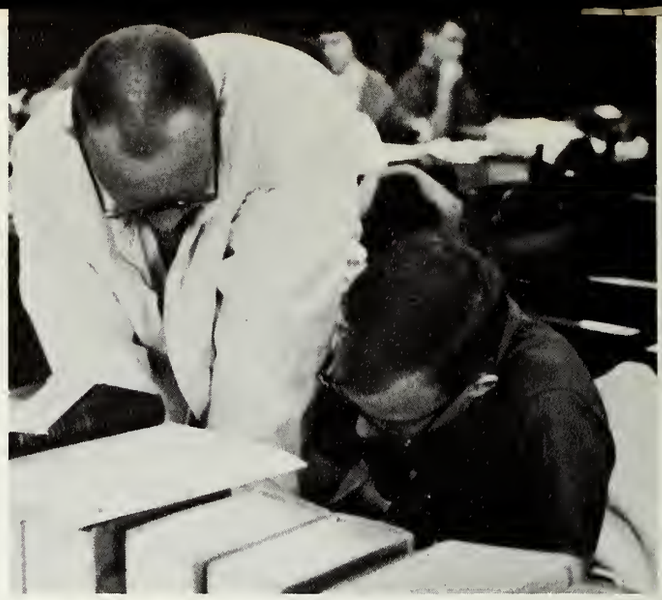

The A.W.S. Christmas Party was held again this year with the Pages, a sophomore women's honor group, contributing toys and clothing for the underprivileged children who came. Dick "Moose" Armuth played Santa Claus for the fifth or sixth time this season. As usual, the kids loved him.

Finals and with them the social scene
shifted from dances to the Library,
the Ag. building, and to the Student Union
for that reviving coffee break.

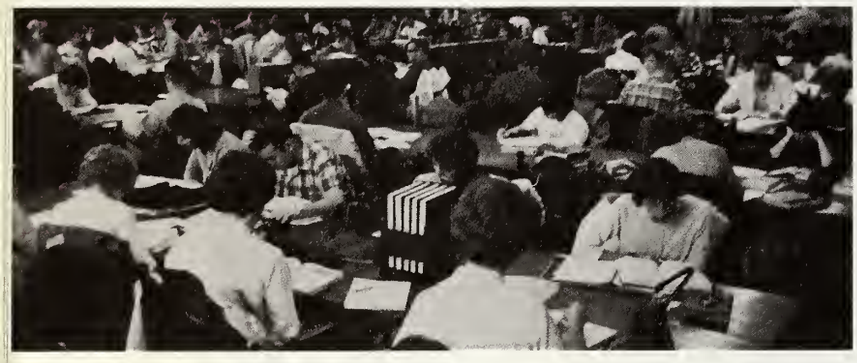

Is this right ?

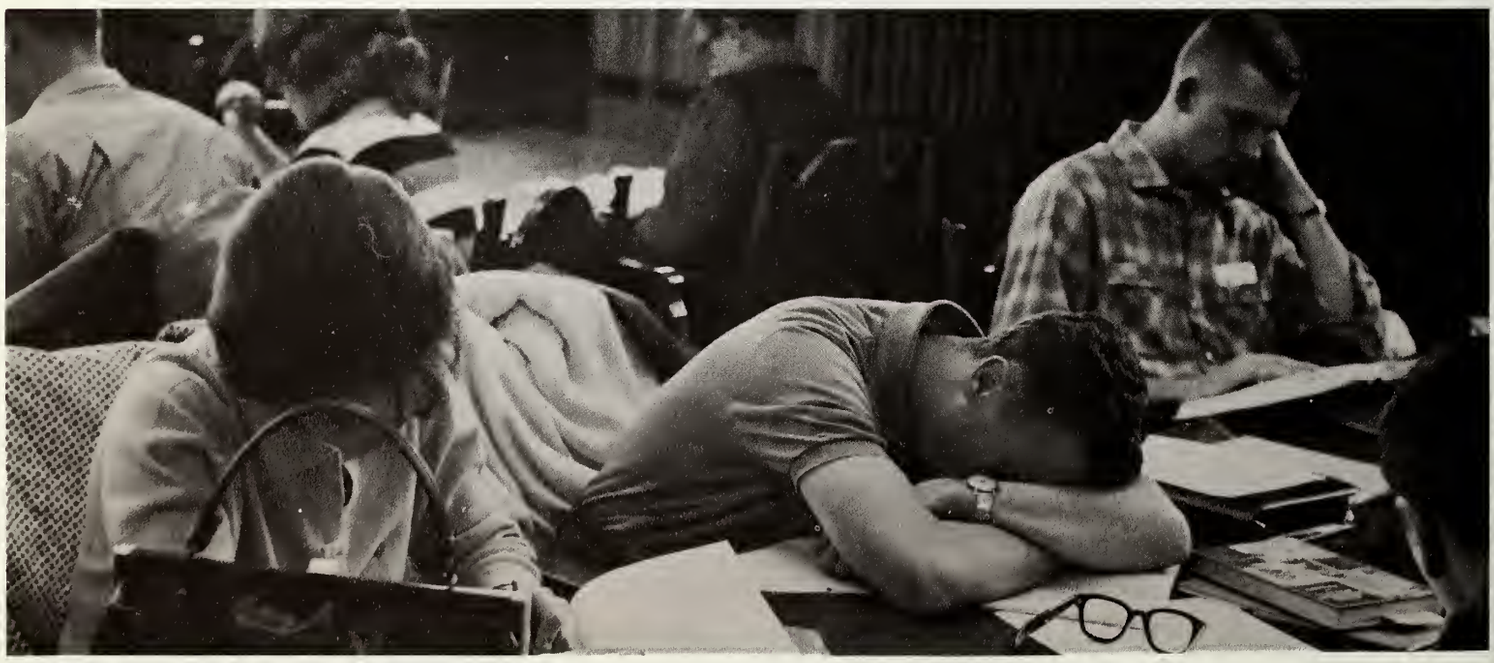

Now you've got it.

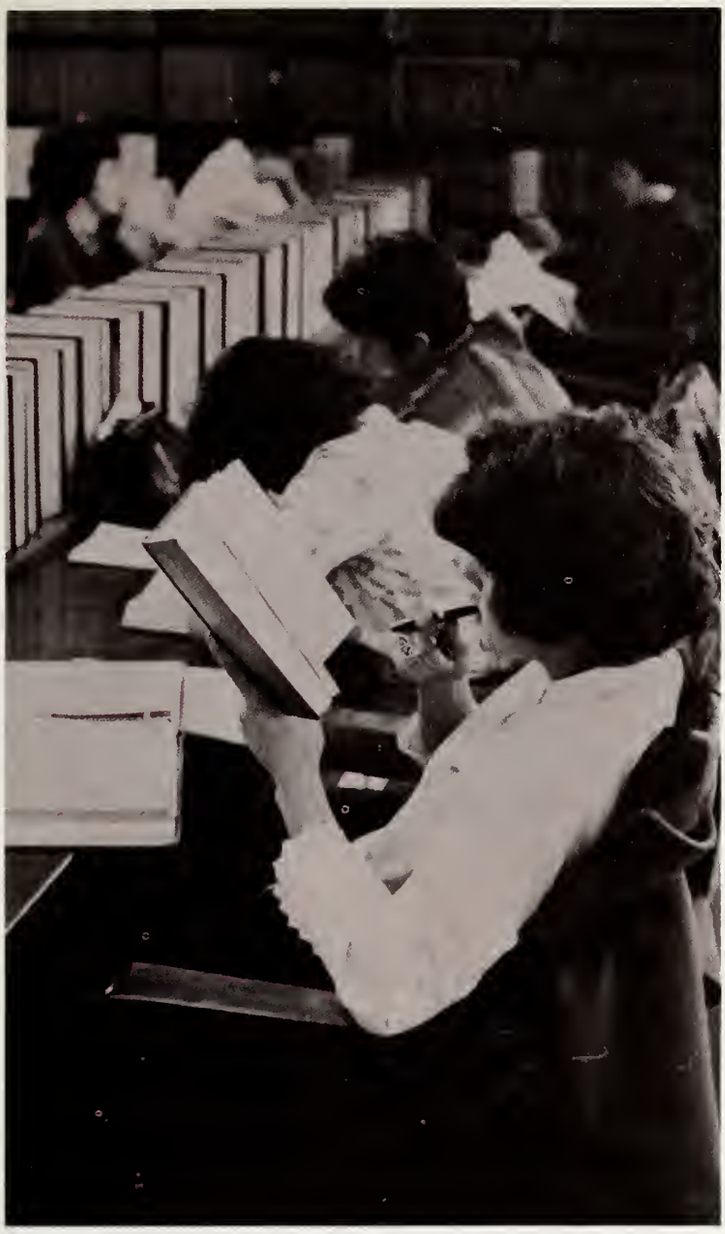

Mass Panic

During finals week, all University of Nevada students get very little sleep. This is clearly shown in the shots on this page.

Some just can't take it.

How does it taste?

Might as well make the best of it.

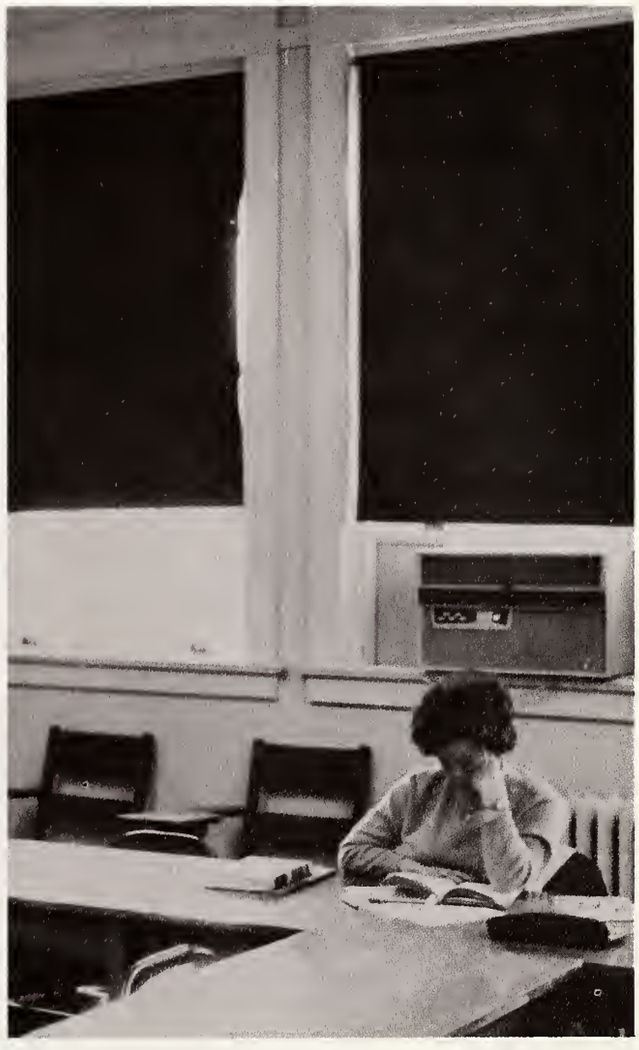

Complete concentration.

The University of Nevada is on a two-semester system. Finals are held two times a year — January and May. The semester tests count as much as two-hour examinations; so naturally the students prepare diligently for them. The week before finals is called Dead Week, and during this period no social events are held.

Aaahhhh Solitude.

The Army was never like this ! !

UNCOC INITIATION

Each year the University of Nevada's Cadet Officers Club holds its initiation. When the men go through the initiation they stay up all night and guard the sorority houses, women's dormitories, and the library.

Let's do the twist !

Take five.

The beginning of a new semester; however, the biggest event of all was Winter Carnival.

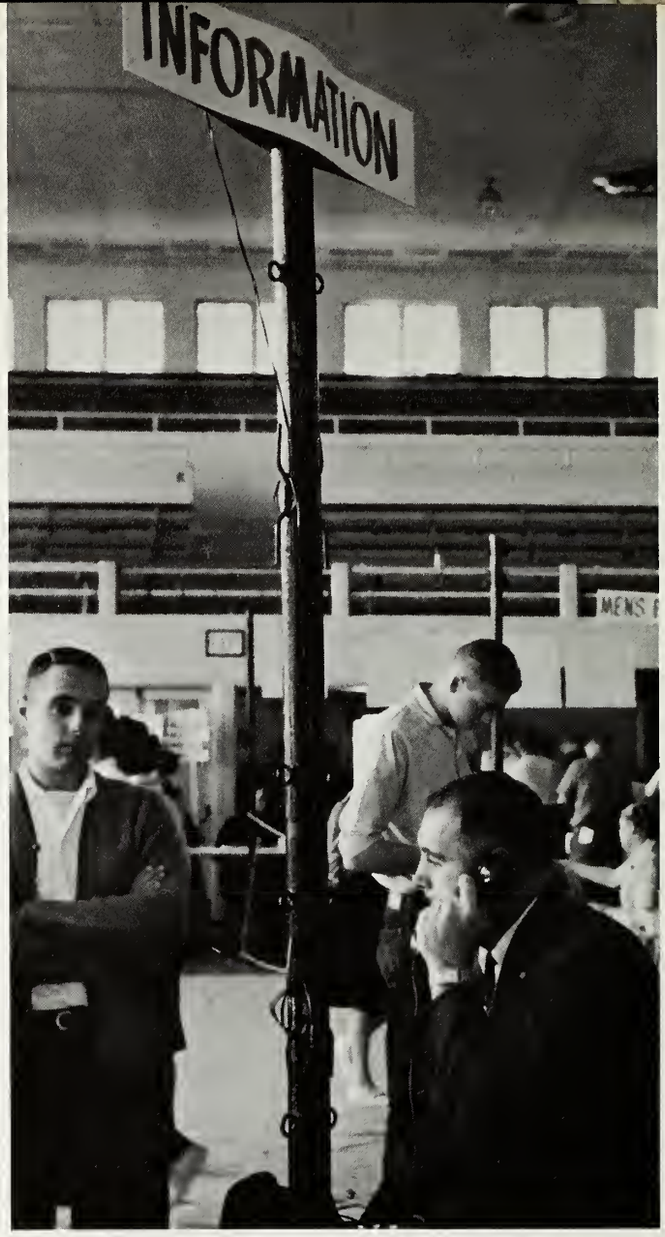

Now what's that?

Do you see what I mean?

Don't look so cheerful.

This area received lots of business.

REGISTRATION

During the early part of February, registration for the spring semester was held. The new system of registering according to class and to one's place in the alphabet proved to be very effective. However, some students still had problems.

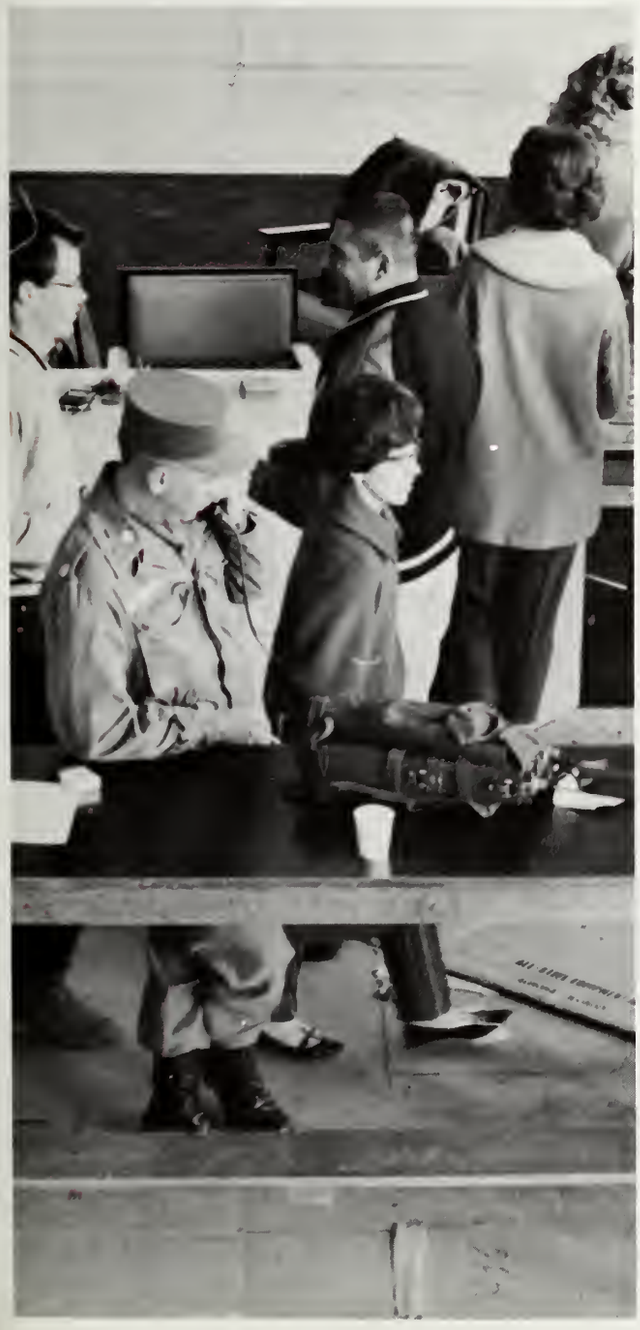

For the first time in the history of the University of Nevada, the students held a book walk. The purpose of this event was to move the books from the old to the new library. Hundreds of students participated and gained the privilege of attending a dance that evening free-of charge.

BOOK WALK

Hurry up, boys, only 10 more trips to go.

Everyone was in the act.

This is what I call progress

Let me see . . .

WINTER CARNIVAL

The Winter Carnival celebration was opened with an assembly featuring the Smothers Brothers. At this time Barbara Beesley was crowned Winter Carnival Princess by Joe Eberle, Winter Carnival chairman. The assembly was a huge success.

Well, let me see . . .

It's this way . . .

Soda pop anyone?

How fascinating!

The evening following the assembly, the women's living groups held open houses. At this time the men of the Nevada campus and men from visiting teams were entertained in true Nevada fashion.

You don't say?

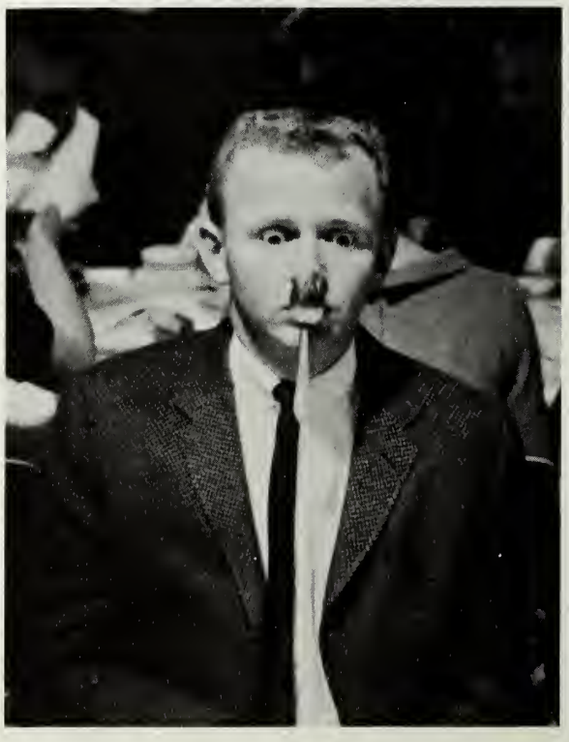

A good time was had by all.

BANQUET

Each year at the conclusion of the Winter Carnival celebration a banquet is held where all the ski team members relax and enjoy themselves. Again this year the new dining commons was the scene of the event.

Grist in action.

Do you really?

"Let's twist again"

DANCE

Thousands of students attended the Winter Carnival Dance at Swede Mathisen's convention center. Linda Knobbs was chairman of this dance. The presentation of trophies and the twist were the highlights of the evening.

Do you have a note from your Mother, Sonny?

It's pure water!

How dull!

DECORATION WINNERS

Delta Delta Delta, Sigma Nu, and Theta Chi each received a trophy for their joint effort on the winning decoration. "Twisting Slalom" was the title of the winner.

For the first time this year sororities and fraternities worked together to put out the Winter Carnival Decorations. Two fraternities worked with one sorority.

Gamma Phi Beta, Lambda Chi Alpha, and Sigma Phi Epsilon built this excellent replica of a medal.

Pi Beta Phi, Alpha Tau Omega, and Chi Sigma constructed a life-like chair lift.

A replica of a slalom race was built by Kappa Alpha Theta, Sigma Alpha Epsilon, and Phi Sigma Kappa.

Here are the people responsible for Winter Carnival. OUTSTANDING GREEKS

They went all out.

Prior to the primary elections on the University of Nevada campus a big elections rally is held to kick off the campaigning. This year it was held the night before the primary elections. At this assembly all the candidates make speeches and present their platforms to the student body.

WE'RE NOW BUILDING A **SUPERB NEW THEATER RESTAURANT**

With luck, we'll have ready for this summer's business a beautiful new theater restaurant, with a fine large stage, and all the new employees it requires to staff it for good service. We hope it will be a very real asset to Reno's tourist business, and we think it will be an improvement in the appearance of downtown Sierra Street.

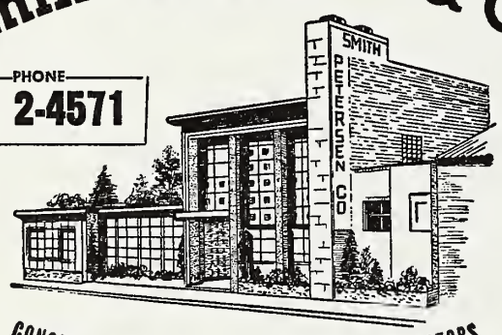

We are planning this new building so it can feature top acts of the entertainment world, or so it can be converted when needed for various groups to hold their convention meetings right in the heart of downtown Reno. A surprising number of Reno conventions need meeting halls seating 500 or less. We hope to serve them, and Reno organization's meetings, with true western hospitality.

Since the COMMENCEMENT of time . . . COPPER

has played an important role in the development of man. Early Egyptians used the red metal and the planners of tomorrow's rockets find copper vital. The everlasting metal is also important to education. Kennecott, through tax payments, participates in providing improved facilities, better conditions and more highly skilled teachers. As a graduate, Kennecott's operations in Nevada actually mean greater opportunities for you.

Hats Off To The University

WELSH'S

Your Local Bread Company

There was an old woman
who lived in a shoe-
She had so many children
she didn't know what to do,
UNTIL...

She discovered Sewell's — COOL GREEN CASH SAVINGS — on TOP QUALITY merchandise. Some stores offered trading stamps, or giveaways, others had more gimmicks than a three ring circus but after all, why pay for overhead when your family can't eat it.

Indeed, feeding a large family is a real problem unless you depend on a budget-stretching store like Sewell's, that offers down to earth prices which are as low and in many cases lower than so-called advertised specials. Another feature that has made Sewell's your "Home Town Grocer" for many years is the knowledge of what you, the customer, like to eat and the challenge of offering the greatest variety possible at carload prices.

Last, but not least, children ride in high style in baskets built for safety. Many children enjoy pushing their own pint sized cart. So for a store built and run for your comfort and convenience . . . SHOP SEWELL'S, 445 North Virginia St. and 1331 South Virginia Street . . . YOU'LL SAVE.
